

**St. Martin's Cathedral
Letter to our
Confirmation Candidates**

Congratulations on your choice to become a member of St. Martin's Confirmation class 2012!

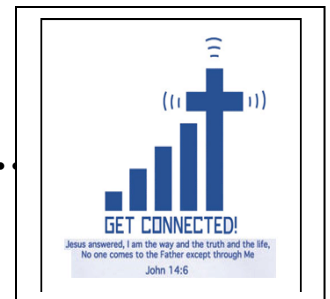

Confirmation is an important step in your Spiritual Life.

Why should you be **Confirmed?**

When you were just a **baby,**

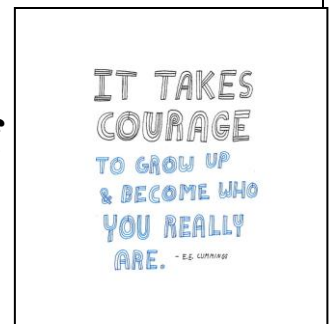

Your parents and Godparents made some special promises about how you would be **Connected..**

to Your Church **and** To God!

Now the time has come for You to decide for Yourself if you want to keep those promises on your own!

Over the next few weeks we will meet to explore all kinds of things to get you ready for Confirmation.

If you are ready to make a **Commitment** to Learn, Attend Church, have lots of Fun,

Confirmation will be a wonderful time for you.

Glad you are here!

Are you ready to sign the application?
